

GARDELUX® COLORLINE

THE DISTINGUISHED DESIGN
OF A COAT RACK SYSTEM

gardelux®
by Hermeta

The distinguished look of a stylish coat rack system

The Gardelux Colorline coat rack system will do you proud. Round shapes characterise the Gardelux Colorline system. The curved shape has been used in the tubes as well as in the hat shelf, the coat hooks and the coat hangers. And the system is userfriendly: recessed aluminium coat hooks bar and high-grade plastic coat hangers. The slightly curved perforated hat shelf guarantees the visibility of the objects placed on it, and has the added advantage that they will not drop off easily.

Specifications/possibilities	Type 4	Type 5	Type 3 8
